

Knox City
Orthodontics

28th September 2020

In light of changes to government restrictions we are pleased to announce that the **PRACTICE HAS REOPENED** to all patients, as of today Monday 28th September.

Your safety remains our number one priority. In addition to our already stringent infection control processes we will be continuing to practice social distancing, among other precautionary measures, such as;

- Staff and patients must wear a mask
- Hand sanitiser available for use
- Using a questionnaire as a pre-appointment COVID screening tool
- Reduced appointment and waiting room capacity (to maintain social distancing)
- Closed tooth brushing station

We appreciate your patience as we work through those appointments affected by our closure. We aim to contact patients who require rescheduling over the coming days. For all other appointments bookings or queries please contact the practice on [\(03\) 9801 4222](tel:0398014222) or email reception@knoxortho.com.au.

It is so great to be back! We look forward to seeing you again soon.

Dr Bruce Baker & the Knox Orthodontics team!
